Tips for Looking Your Best

Attire: No matter the session you choose, bring along a variety of outfits that best express your personality and it will help you choose the one(s) that will look best for your portraits. If you have scheduled a multiple outfit session, consider formal, casual including sports uniforms, funky and traditional outfits. Solid colors and simple patterns photograph better! Outdoor photographs look great with casual attire in earth tones. AVOID: stripes and plaids, clothes that are too tight or extremely loose fitting, clothes with words, and loud patterns. Don't forget to bring a hair brush, makeup, sunglasses, belts, different shoes, and jewelry.

Props: Bring props that define who you are. Some suggestions are class rings, sports or cheerleading uniforms, music instruments, athletic equipment or hobbies. Try to match your outfits to the props. Pets are welcome for a \$5 fee.

Details Ladies: Be sure nails are manicured. **Guy:** A clean shave is best. Facial hair cannot be retouched. If you have large arms, avoid sleeveless shirts, as they exaggerate the size of the upper arm and shoulder. Long sleeve is best. Also, be aware that mini skirts can severely limit how you can sit and move for posing. Be sure to bring the appropriate shoes for each outfit. Don't plan a hair cut right before your session. It is best to get it cut 2 or 3 weeks prior to be sure it looks the way you want it. Wear makeup no heavier than you would normally. If you don't usually wear makeup, a light foundation or powder will help reduce shine and even out skin tone. Even guys can benefit from a touch of powder! (I won't tell!) To avoid glare from eyeglasses, opt to wear contact lenses, or ask your optometrist if you can borrow a pair of empty frames for your session.

Payment Policy: Session fees are due the day of your session. Proofs will be posted online about two weeks after your session and will be available for 2 weeks. You will then schedule a viewing appointment in the studio, when you will place your order. A deposit of 50% is required at the time of the order with the balance due at the time of delivery. Cash or check is the preferred payment method, but we also accept Visa, MC and Discover
